The Cycle Storage Specialists

## BykeBin Locker

### Dimensions in mm

Height 1300  
Width 960  
Length 1700

## Overview

This individual polyethylene locker stores adult bike plus one small children's bike or two children's bikes.

The BykeBin locker can be ordered in a variety of standard colours. Stone-effect colours, such as dark mill-stone, sandstone and granite complement listed buildings. Bright colours are a cheerful solution for schools and nurseries.

This locker requires minimal maintenance and will not rust. In addition, it is easy to install and move at a later date as it is delivered as a whole unit. The unit comes with padlock and key, a padlock securing bracket and 4 ground fixing bolts. It also incorporates internal cycle fixing brackets, a built-in floor with drainage holes plus two door hooks to hang personal belongings.

## Features & Benefits

- Parks one adult bicycle with room for one child's bicycle.
- Can be ordered in a variety of standard colours.
- Huge advertising potential.
- Made from recyclable plastic.
- Can be installed in minutes, either in a single row or interlocked to create a freestanding compound.

## About Cycle-Works

Cycling is our passion. We believe that cycling is good for people, good for society and good for the environment. This belief underpins everything we do. We believe that the provision of quality facilities will increase the use and acceptance of the bicycle.

All our employees and associates cycle regularly in diverse disciplines such as commuting, touring and long distance audax rides. We are active in both local and national cycle campaigning.
