

## Portsdown Semi Vertical Rack

### Overview

The Portsdown Semi Vertical Cycle Rack has been designed for space saving. These Cycle Stands are very popular in areas where space is at a premium such as Train Stations, Shopping Centres, Car Parks, Offices, Apartments.

The bicycles are stored semi vertically with the front and rear wheel supported in a custom designed trough. With there being a wide range of bicycles on the market, the Portsdown Semi Vertical Rack Stand has been designed to hold everything from Road Bikes to Mountain Bikes with extra wide tyres.

You can arrange the Portsdown Semi Vertical Rack in any number to accommodate as many bicycles as you need, it just comes down to how much space there is available.
